

Benefits of Membership

- ❖ Nonprofit Federation membership is organizational, not individual. Everyone at a member organization has access to our bountiful resources and opportunities for professional growth.
- ❖ Federation members are automatically DMA members and receive all benefits associated with DMA membership at no additional cost.
- ❖ Jenny Abreu & Alicia Osgood make up a dedicated full-time staff that serves only the needs of our nonprofit members and dedicated Partners.
- ❖ Nonprofit Federation members receive the Federation member rate at all activities and events sponsored by the DMA Nonprofit Federation. Federation members pay as little as \$529 versus the \$779 non-member rate to attend our Washington and New York Nonprofit Conferences.
- ❖ Members automatically receive subscriptions to the following top notch DMANF Publications – *News Update*, *The DMANF Legislative & Regulatory Update*, & the *Journal of the DMA Nonprofit Federation*.
- ❖ Nonprofit Federation members post free in “The Recruitment Tool for the Nonprofit Community” – *Nonprofit Careers* e-bulletin.
- ❖ The Federation is a tireless advocate for the nonprofit sector. We closely monitor legislation and regulations at the federal and state level. DMANF-led Coalitions successfully defeated efforts to limit the Charitable Deduction and successfully secured an exclusion from CFPB regulation for charitable giving activities conducted by nonprofit organizations.
- ❖ We monitor postal issues in conjunction with the DMA Government Affairs department and together filed a motion to dismiss the USPS postal rate hike request. DMA & DMANF are supporting members of the AFFORDABLE Mail Alliance, an unprecedented coalition of Postal customers that successfully opposed the USPS proposal to raise postal rates by up to ten times the rate permissible by law.
